Service Experience Requirements rev. Aug 2019

Our Lord lived his earthly life in service to others. Receiving the Sacrament of Confirmation, the third Sacrament of Initiation, and therefore becoming fully initiated into the Church, necessarily transforms our personal relationship with Jesus so that we are imitators of Christ in all aspects of our lives.

Both Year 1 and Year 2 have a service component as part of preparation for receiving the Sacrament of Confirmation, as well as acts as an introduction to the way we are to live the rest of our lives as followers of Christ.

Year 2 (8th Grades)

Service begins with supporting the work of the Church and then reaches out to all. This year students will choose a service experience that continues to support the work of the Church and our parish. Confirmation candidates will select one option, and complete by Confirmation. If possible, Sponsor and student should work together in service.

Students are to select *one* experience for Year 2. There is *no* hourly minimum.

Be aware that some service opportunities need just a few people to participate. Have another option in mind.

Service begun last year such as altar serving, may certainly be used for Year 2. Students are encouraged to think of an experience that is not on the list.

The following are suggestions and should not be considered as the only options.
