PASTOR'S PEN LET THERE BE LIFE!

I have shared the heart of this message in the past and repeat it here.

This past January 22nd marked 42 years since our U.S. Supreme Court legalized abortion through the Roe vs. Wade Case. Since 1973, there have been over 50 million abortions legally performed in our country (3,700 abortions each day in recent years). Abortion has been for centuries and continues to be today a grave moral wrong in our society in spite of the Supreme Court's arguments. *Freely and knowingly choosing* to destroy an innocent human life after conception is a mortal sin and needs the forgiveness and reconciliation of our Lord and the Church community through the Sacrament of Reconciliation.

As a chaplain for *Project Rachel* which tries to serve those women, and even men, who suffer from emotional, mental and spiritual **post-abortion trauma and pain**, I have a real problem with the hate and judgments directed toward these women and men, e.g. calling them 'murderers.' I have witnessed and listened to the stories of their broken hearts and sorrow over what they have participated in. I

have found situation after situation of desperation that clouded their good judgment at the time of their pregnancy. I have regularly met with people who still after 30 or 40 years suffer silently within, even after participating in the Sacrament of Reconciliation. I have found their sorrow to be sincere and their hope for peace in their life such a longing. If we say "we respect life", then we need to respect their lives too. We should want everyone to be able to be as productive a Christian as possible, especially after that person has made a grave mistake. This is the mind of God for them. That's why God is willing to forgive them and to forgive all of us sinners too. Let's hate the sin and teach about the sinfulness of abortion, but love the sinner (a thought from the Gospels).

Let's continue to "choose life", support the "inalienable right to life" and stand with the Gospel and the Church against abortion, euthanasia, human cloning, the use of human embryonic stem cells, the death penalty, partial birth abortion, and taking the life of the mentally & physically disabled. **Let there be Life!**
~Fr. Ralph

MASS INTENTION OPENINGS

For the Respect of All Life

I was looking in the Book of Mass Intentions the other day and realized that we priests and the parish have very few intentions to offer Mass for. It is true that when Mass is offered, all the members of the Church (living & deceased) spiritually benefit and are one with Christ in His sacrifice. However, *for centuries the Church has believed that there are special spiritual benefits for someone for whom a Mass is specifically offered, whether living or deceased.* In most cases Masses are offered for the intention of those who have died. However a Mass can be offered for the living or some other intention, like "peace in the world" or "thanksgiving." It is a way for the living especially to *honor the memory of their beloved dead, to be praying for them through the Mass, to have the whole Church family praying for them and to stay in communion with them*

in a special way at Mass. So fruits from the Mass are received by those for whom the Mass is offered, even if the intention is for someone who has died. Those having a Mass offered for a particular intention are asked to make an "offering" which goes to the priest or his religious order. (In the five dioceses of Wisconsin the offering suggested is \$10.) The offering is understood as a gift and a part of one's self offered for the intention asked for. **If you would like to have a Mass offered for someone, living or deceased, or for some other intention, please contact our Parish Office at 262-965-2332.**

We will try to accommodate specific dates if at all possible; e.g. anniversary of death, a birthday, a wedding anniversary, etc. You will see the intention published in the parish bulletin the week before the Mass is offered.
In Thanksgiving for blessings received...
~Fr. Ralph

ST. VINCENT DE PAUL

In this Sunday's Gospel, Jesus says: "Come after Me, and I will make you fishers of men." As disciples, we are called to continue God's work on earth. Taking care of God's poor is indeed living Gospel values.

This month, through your gifts, St. Vincent de Paul was able to assist many families. Thank You!

WHAT IS YOUR CATHOLIC IQ?

The answer is: All of the above can be methods of evangelizing.

Perhaps the best way to evangelize is to deepen our own faith, develop a stronger faith relationship with Christ and live our life in a way that shows our belief in God and the dignity of all people.
