God Granting Miracles

We don't always see the miracles right in front of us?

A religious man is on top of a roof during a great flood. A man comes by in a boat and says "get in, get in!" The religious man replies, "no I have faith in God, he will grant me a miracle."

Later the water is up to his waist and another boat comes by and the guy tells him to get in again. He responds that he has faith in god and god will give him a miracle. With the water at about chest high, another boat comes to rescue him, but he turns down the offer again cause "God will grant him a miracle."

With the water at chin high, a helicopter throws down a ladder and they tell him to get in, mumbling with the water in his mouth, he again turns down the request for help for the faith of God. He arrives at the gates of heaven with broken faith and says to Peter, I thought God would grand me a miracle and I have been let down." St. Peter chuckles and responds, "I don't know what you're complaining about, we sent you three boats and a helicopter."

Corpus Christi

by Jane Mellett

On this feast of Corpus Christi we celebrate the gift of the Eucharist. It was one of the last actions of Jesus to give us this nourishment for our life journey, to remember him and to help us to live out his teachings in our daily lives.

As Christ's followers we are all called to change from within so that we can be part of the building of a kingdom of love, justice and peace in this world, so that we ourselves are transformed in some way. The Eucharist, as Pope Francis says, 'is not a prize for the perfect but a powerful medicine and nourishment for the weak'. It is a call for all of us to grow and to share with one another Christ's message of love and peace. The Eucharist sustains us on this Christian path and brings us together as sisters and brothers traveling together on this journey of faith. We should leave this table changed by the encounter, a little lighter, a little more hopeful and joyful, a little stronger. In a movie I saw recently there was a line which said 'the world will only change as we change'. The Eucharist invites us to this transformation. Because 'in the Eucharist, God comes to us not from above, but from within. In the Eucharist the whole cosmos gives thanks to God... it is itself an act of cosmic love... The Eucharist joins heaven and earth; it embraces and penetrates all creation' (Pope Francis, Laudato Si').

Summer Styles

As summer begins, we would like to remind everyone of the proper dress for Sunday Mass. What may be appropriate for the beach or for outdoor activities is not necessarily appropriate at Mass. It used to be that Christians wore their "SUNDAY BEST" when they came to church. Today, in our more casual society we may not dress formally for Mass, but we should dress properly out of respect for God and the sensitivities of others attending mass as well.
