

Cut out Initiative tag and attach yarn or string

Would you rather spend an afternoon watching a funny movie or doing a hands-on activity like making pottery, making a cake from scratch, or building something?

Would cuddling with a pet make you feel better if you were sad? If so, what kind of pet would it be?

If you had to get up in front of your class, would you rather recite a poem, sing a song, play an instrument, or do a dance?

If someone wanted to honor you by naming something after you, what would that thing be and why?

Write down something we don't already know about you.

If you were an instrument in the orchestra, what instrument would you be and why?

When people get to know you, what three words would they use to describe you?

What three words would you use to describe yourself?

If you could spend the day shadowing a grownup at their job, what job would it be and why?

If you were the voice for an animated animal in a movie, what animal would you want to play?

If a magician was on stage and asked for a volunteer from the audience, would you raise your hand? Why or why not?

Do you prefer to live in a climate that is mostly warm and sunny all year long, or one in which the seasons change?

If your class at school decided to make a movie and you had first choice about what you would do in the project, would you choose to write the script, design the set, act, direct, or sell tickets?

Imagine that you are grown up and working in a profession you love. What would you usually be wearing to work?

If you could be really good at something you're not actually good at now, what would it be?

What color describes your personality the best and why?

Which is more fun-to make something with your own hands or to think up an idea with your mind?

When you grow up, will the work you do inspire people, help them, or make them happy?

Do you consider yourself a follower or a leader? Why?

What country would you like to visit and why?
