

# SMALL CHRISTIAN COMMUNITIES THIS FALL: TWO CHOICES!

**What are Small Christian Communities? Why should I join one?** At St. Catherine, hundreds of us gather weekly for six weeks in the fall to share our faith with others, using a common book for reflection. This year, we have chosen two books for this season of challenge.

**Haven't done this before?** Give yourself permission to take spirituality to heart. Whether you are studying the book as an individual or with a group, the questions and explanations will enrich your personal reflection. Just choose which book and fill in the form below and return to the SCC box in the back of the church or drop off to the Adult Formation office in the administration building. You may also register online through the parish website.

**Galatians: Free in Christ by Kevin Perrotta.** This book is from the *Six Weeks with the Bible* series. Through this Galatians Bible study, participants discover why conversion in Christ offers a new life of truly radical freedom. For busy adults who want to study the Bible but don't know where to begin, *Six Weeks with the Bible* provides an inviting starting point. The guide is divided into six concise, 90-minute segments that include all biblical text which means no additional study aids are required.

**7 Keys to Spiritual Wellness by Joe Paprocki.** In this book, best-selling author Joe Paprocki provides a prescription for spiritual health based on the rich wisdom of Catholic Tradition. Through his nondogmatic, downright inviting style of writing, Paprocki makes this book accessible to non-Catholics and "seekers" as well. Recognizing that the spiritual immune system is weakened almost daily by toxic patterns and attitudes that negatively impact our ability to live in a harmonious relationship with God and others, Paprocki offers seven enduring and reliable strategies for achieving spiritual wellness.
