

PUBLICATION OF
RELIGIOUS EDUCATION STUDENT'S PICTURE/NAME
ON ST. PIUS X CHURCH WEBSITE/BULLETIN
(students under 18)

We believe that publication of student names/pictures on our St. Pius X website/bulletin assists in promoting the success and benefits of the Religious Education program and the accomplishments and efforts of our students. However, we recognize that website publications are potentially "world wide," and for that reason we allow the parent(s)/guardian(s) of students under age 18 the opportunity to advise us if they do not want to have their student's name/picture posted on St. Pius X website/bulletin. Even if you do not advise us that you do not want your student's name or picture considered for publication that does not mean your student's name/picture will be used. The Religious Education programs may or may not choose to post your student's name/picture on our website/bulletin. Such decisions will be made by Religious Education representatives based upon their determination of website format and content. If you **do not want** your student's name or picture even considered for posting on the St. Pius X website/bulletin during the school year, please complete the bottom of this form and return it to the Education Center's administration office as soon as possible.
