**Rachel's Vineyard** is a post-abortion recovery program for all those affected by abortion, such as the mother, father, grandparents and siblings, friends and medical practitioners who have conducted the abortions. See [rachelvineyard.org](http://rachelvineyard.org) for more information. **We must never judge** a woman who has made this "choice" without being fully aware of just how much "choice" she actually had and walking a mile or two in her shoes.

Abortion is fundamentally about *relationship*, a relationship that is broken by the procedure—and one that desperately needs to be healed. Abortion is an act of despair, and despair is also the greatest obstacle in post-abortion recovery. **If God is calling you** to hope and healing OR to *minister* to those in need of hope and healing in your local community, please contact Lisa Petersen (509-421-7847 or [lispetersen65@gmail.com](mailto:lispetersen65@gmail.com)) for more information. Your call will be kept completely confidential. **The next Rachel's Vineyard retreat** in our area is April 7 – 9 in Spokane. **LIVING WATER**

It is often said that Eskimos--Native Americans of Alaska and Canada--have many different words for snow. These words describe different kinds of snow. A similar diversity of words for water is true of people of the Middle Eastern desert. Today, Jesus speaks of "living water". Literally this is "flowing" water as opposed to that which accumulates in pools or wells. Standing water can become stagnant. It becomes less desirable in taste than water which has flowed from a spring or river. The Samaritan woman offers to draw water from the well, but Jesus suggests that he can offer her the living variety. Apparently he is referring to the water of Baptism which allows each of the baptized to become sources of life themselves.
