CEASAR

A few centuries before the birth of Jesus, Israel had been conquered by Syria. It appealed to Rome for help. The Romans readily agreed and then took over completely. They heavily taxed the Jews, forcing them to pay in Roman currency. Their religion forbade creating images of animals or humans, so this currency--the Denarius--was hated. This was a political hot potato in the time of Jesus. Many condemned taxation, but feared to debate it openly. Some religious leaders try to trap Jesus into accepting one side or the other. He neatly avoids breaking the laws: civil and religious. At the same time he expresses the need to cooperate with civil authority.

MEALS TO HEAL Columbia Basin Cancer Foundation is partnering with the Culinary Arts Program at CBTECH to bring healthy foods to local cancer patients. The students put their heart into making healthy nutritious broths for their neighbors with cancer. Volunteers deliver broth, bread and a take and bake dish every other week while the patient is going through cancer treatments. However, students are on summer break and need our help! For information, pick up a flyer in the narthex. Meals to Heal is based out of Moses Lake, and they are reaching out to us because there is a Quincy client who relies on their services. They are asking for our help to ensure their Quincy client continues to get the help they need.

**Just a
reminder...**

A COUPLE HOUSEKEEPING REMINDERS.... Please do not let children play in the rocks and throw them across the sidewalks. It is not only disrespectful, but creates a health hazard. It is easy to sprain or break an ankle by stepping wrong on a rock – it has happened here before! Also, please do not leave food in the refrigerators in the kitchen for more than a day. When people come to use the kitchen, they should not have to throw out your leftover, often rotten, food!

Thank you for your cooperation.

God Takes The Summer Off

"We are sorry to inform you that God will not be available during the summer beginning June 1st. He feels He deserves some time off, so He has canceled His normal duties for the summer.

He has agreed to send the sun and rain occasionally when He happens to be in town, but so far as answering prayers for the needs of your family, please don't count on Him.

God has let church leaders know that they should not plan any outreach efforts or mission trips during the summer—or at least if they do, they will have to do it without Him because He plans to be gone a lot to see relatives, baseball games and the lake. God has expressed the opinion that we should find someone else to take His place.

Then we reminded Him of His promise, "Surely I will be with you always," but He said He didn't realize when He said it that it meant going two or three years without a break. He expressed His sincere regret and hopes that it will not cause anyone any inconvenience.

God may be contacted anytime after September 1st at which time He hopes to get back into the routine. "Please defer all requests until then," He requested.

Aren't you glad God doesn't take the summer off? As we approach summer, make it your determination to bring yourself and your family to God's House on Sunday. He'll be waiting for us to worship Him."
