W

10/4

F

10/1

T

10/3

R

10/5: No School

our learning

Reading

In Reader's Workshop we will be practicing skills to help us become fluent readers. We will work will text to scoop up our words. We will begin guided reading groups this week. In phonics we will be learning short i.

Math

Students will continue to learn strategies for adding to 10. They have done such an incredible job in this unit. We will begin to review for our chapter assessment on Tuesday, 10/9 and Wednesday, 10/10.

Religion

We will thank God for all that has been created on Earth. Students will be leading prayer the week of 10/9. I will send out an email of the schedule.

Writing

We will learn how to plan for our stories by using graphic organizers and touching and telling their story across the pages of their book. Students will discover how quick sketches are used to help them remember their story.

Science

Acid /Base Investigation and experiments this week!

Happy Birthday
Jamison 10/6

Mrs. Cilano's Corner

Thank you for your Scholastic orders. Orders will be submitted on the 30th of each month. It takes around two weeks to receive the books at school. If the books are a gift, please let us know so we can smuggle them to you secretly. All book orders are done online, our class code is RGRJG. Many more books are available on the Scholastic online site.
