our learning

Reading

This week students will be learning about cause and effect relationships. We will be reading *The Rain Came Down* by David Shannon and *Amelia Bedelia* by Peggy Parris. Students are practicing writing responses to these texts. In phonics we will be learning o_e words.

Math

Students have started Chapter 4 subtraction strategies within 20. This week students will learn about fact families and use addition to subtract. Students will also make a 10 to subtract. Finally students will break larger numbers apart to make 10. Students did a fantastic job on their Chapter 3 math assessment.

Religion

Students will continue to learn about the Holy Spirit. Students will begin to be assessed on the Glory Be.

Writing

Students will continue to add to their gingerbread story. The stories that they are writing are fantastic! They have created elaborate traps to capture their gingerbread characters.

Social Studies

Students will continue to learn about children's lives from long ago. This week they will learn about schools, houses and transportation.
