our learning

Reading

We will read our first Shared Reading story, "Ollie the Stomper." Students will be introduced to previewing a book and retelling a story. We will work hard to read challenging words. We will begin our Phonics study as we learn about the short a sound.

Math

Students will begin exploring Addition Concepts. We will use pictures and manipulatives to add within 10. The beginning of the year math assessment will be this week.

Religion

We will continue to learn about respect and practice respectful actions. We will thank God for the many gifts that we have been given.

Science

Students will discover characteristics that they have in common with STEM professionals. Students will explore STEM careers and fill out an application to become a first grade scientist.

Mrs. Cilano's Corner

Great job bringing in canned goods! Keep up the great work to build our "Welcome Wall" (ask your child about this). No one in the Rochester community should go hungry!
