our learning

Reading

We will learn about a favorite time of the day-Read to Self. Students will begin to learn ways to increase their stamina. Students will learn center procedures as they review letter sounds.

Math

Students will practice math center procedures. We will review number concepts and start beginning of the year assessments.

Religion

Students will identify ways to treat others with kindness and respect in the classroom.
Read Aloud: Kindness Counts and Do Unto Others.

Social Studies

Students will present their All About Me bags. We will identify similarities and differences within our class and discuss how this impacts our classroom environment. We will brainstorm positive consequences for our classroom.
