## our learning

### Reading & Writing

We will learn about a favorite time of the day-Read to Self. Students will begin to learn ways to increase their stamina.

### Math

We will complete a number project about ourselves and begin to learn math center procedures.

### Religion

We will introduce our theme for this year. All Are Welcome. We will work hard to create a welcoming environment in our classroom this year.

### Social Studies

We will create our classroom rules. We will begin to compare and contrast characteristics and experiences of the students in our classroom.
