

# THIS WEEK IN Mrs. Cellura's CLASS

**M**

Day of Service/Open House

1/28

**T**

**W**

1/29

**R**

1/30

**F**

Mini-golf

## our learning

### Reading

Students will learn about key words and discover the importance of key words in learning about a topic. This week students will find interesting facts in their books to share with others. In phonics we will learn about the TH diagraph.

### Math

Students will continue to explore numbers to 120. We will identify numbers using place value and begin exploring tens and ones. Students will practice skip counting by tens, and they will solve math riddles using place value.

### Religion

Students will learn about the Good News of Jesus and the Catholic family.

### Writing

Students will work on creating opening sentences to prepare their reader for the information that they will teach. They will discover how to incorporate different types of teaching books into their chapter book.

### Science

Students will finish their inquiry into sound and begin to explore light waves. Ask your children about using a paper cup telephone last week.

## homework

Please note: Homework might be adjusted due to Catholic School Week Activities

- Monday: page 347 (no #3) and 348
- Tuesday: page 353 and 354
