GOSNELL: An important movie event. Gosnell is a striking movie on what the Trailer calls "The Trial of America's Biggest Serial Killer". His victims were infants in the womb and even those actually born. Monica Migliorino Miller, Director of Citizens for a Pro Life Society writes: If you are pro-life and do not want the enemies of this film to delight in its becoming a box office failure, go and see Gosnell before 750 theatres replace it with movies of far less significance". It is being shown in Mt. Juliet, Hendersonville, Clarksville, Franklin, Thompson Lane Nashville, and Opry Mills Drive,
