"Have patience with all things, but, first of all with yourself." -St. Francis de Sales

## Letter from the Principal

Hope you are all having a great week! Fall is always a busy time between seasonal activities, field trips, and breaks. Please be sure that you are carefully reading each week's newsletter and any information coming home with your student. There are many students who have turned in permission forms but not the fees for upcoming field trips. Also, we rely on parent drivers for the majority of our field trips to happen. If you are able, please sign up to drive.
