Votive Candles. Why do we light a candle in Church? When you enter a Catholic church, you might see a shrine, small side chapels or side altars with statues or icons and rows of votive candles. The word “votive” comes from the Latin “votum” meaning “vow,” and these candles are, when lit, used to symbolize our prayers, vows of prayer, or simply our honoring God or one of His Saints. They are lit by the people outside of Mass—usually for a specific intention. It’s a very Catholic thing to say to someone that you will “light a candle for them,” meaning that you will pray for them and ritually symbolize those prayers by the lighting of a candle. It’s not uncommon, too, to find these intentions written out and placed near the candles.

Another common reason to light votive candles is out of gratitude to God for answered prayers. We light the candle while praying for our intentions or offering thanks and then leave the flame burning as signs of our prayers. You might see a little coin box or basket nearby for donations to pay for the candles. If you’re truly poor, don’t worry about it! But if you are able, it is right to drop in several dollars to offset the costs.

Catholic families make use of votive candles at home, too, especially at family altars and, of course, during the Advent and Christmas Seasons with their respective Candles, and on Easter Sunday with its white Christ Candle symbolizing His divinity. Again if you take a candle home with you for these purposes please leave an offering for the candle.

For the inquiring minds in the parish, the pricing for the votive candles is; small candles \$1.00 & large candles \$ 3.00. Please help us to cover the cost of the candles by making the appropriate donation when lighting a candle. Thank you.
