“Above all else, guard your heart, for it is the wellspring of life.” - Proverbs 4:23

Letter from the Principal

Wintertime is here. Please be sure that you keep in mind guidelines for sick students. They must be fever free 24 hours before returning to school. In these months when we often wear layers, please keep in mind that it is a good idea to wash coats, hats, scarves, etc. too if your child has been ill. We were excited to receive a check for over \$200 from Publix all from our community remembering to scan their Publix Partners cards. Be on the look out for Pre-Registrations forms for the 2019-2020 school year. We will be switching from Smart Tuition to FACTS, but the service provided is essentially the same.

Inclement Weather Notification

If ever we should need to close or have a late start due to inclement weather, there are several ways for you to find out. An email blast will go out first followed by announcements on all major local news channels (2, 4, & 5). We do not necessarily follow Metro's decision. Please use your own judgement in regard to the area that you live and the safety of coming to school. If the school is closed, Before and After Care is also unavailable.

The mission of St. Pius X Classical Academy is to manifest God's love in the world through a commitment to the spiritual, moral, emotional, and intellectual development of its students accomplished through the use of a Catholic classical curriculum.
