Iowa Test of Basic Skills

Next Monday, April 1st marks the beginning of our testing window this year for our K-8th students. It is of great importance that students be here on time and well rested. Please do not schedule unnecessary appointments. While we do not want this to be a time of stress for the students, please reiterate to them the importance of doing there very best. These tests help the faculty in determining areas of strength and areas to improve for both individual students as well as whole classes.

FACTS/Applying for Financial Aid

As shared earlier this semester, we will be changing from Smart Tuition to FACTS. The service offered is pretty much the same, but it will require you to sign up with this new company. More information to come on this process as well as how to apply for Financial Aid for the 2019-2020 school year.

Summer Uniform

Students may begin wearing the Summer Optional Uniform next Monday, April 1st. Please be sure that they fit appropriately. Students should be wearing a belt (1st-8th) and solid white tennis shoes with white crew-length socks (no logos) with this uniform.

Thank You, Mrs. Fite!
