Hope to see you at Field Day!

## Letter from the Principal

I am happy to share the exciting news that all of our Welcome Grants were claimed on the very first day they were available. I'm very excited about next school year and things we have in the works and new materials for our students. If you have not returned your registration sheet yet, we do need to hear back from you even if it is that you are unsure at this time. With so many important events on our schedule, it is very important that you read all communications sent out carefully and respond to forms/information requested promptly.

*Miss Patton*
