## Religious Freedom: VOTE!

Why in the “Land of the Free” do we have these headlines:

*“Regular Christians are no longer welcome in America” —Time, 2016*

*“Religious Liberty is under Attack”—National Review, 2017*

*“EU report highlights religious freedom threats across the globe”—EWTN, 2018*

The church reminds us of our responsibility as citizens to form our consciences with the truth so that our vote can influence our culture and our nation for good. Our nation’s tradition of pluralism is enhanced, not threatened, when religious groups and people of faith bring their convictions to the public square.

In the weeks leading up to the November election, please pray for our leaders and all who are running for office, for all voters that they may vote with a well-formed conscience and for the right to participate in society without abandoning our central moral convictions.

### Remember, our Religious Education does not end at the completion of the sacraments!

After First Holy Communion, we continue to offer classes in grades 3 –5 and beyond , through our Middle School and High School Youth programs. High School students then have the opportunity to join a Bible study group and a two year Confirmation program. As young adults, we encourage continued faith formation through programs such as EQUIP.

It is important that all of us, no matter our age or where we are on our faith journey, be educated in the faith and spiritually nourished. Our Parish offers different programs throughout the year to assist everyone in their lifelong journey of growing in holiness.

For adults, those include men and women’s Bible study, home groups, and other enrichment classes; An Evening of Reflection for women, Disciples of Jesus and Mary, Christ Renews His Parish and Couples for Christ, to name a few.

What is the next step for you in your journey of faith?

Come join this community of young adults, age 19-25, through fellowship and prayer!
