## Fourth Sunday of Advent

Today the Church celebrates the Fourth Sunday of Advent. We light the last candle on our Advent wreath and our preparation for Christmas is almost finished.

We also reach the culmination of the O Antiphons, which have been posted daily on the St. Joseph Facebook page. In previous antiphons our cry was directed to the Messiah as He manifested Himself to the Chosen People, to the Gentiles, and in nature; now He is addressed in person and asked to remain with us as Emmanuel.

Reading this final antiphon gives the feeling that a climax has indeed come. The very term Emmanuel, God with us, reveals the kindly, human heart of Jesus — He wants to be one of us, a Child of man, with all our human weakness and suffering; He wants to experience how hard it is to be man. He wants to remain with us to the end of time, He wants to dwell within us, He wants to make us share His nature.
