Service Hours for Middle School Students

St. Thomas More community takes pride in who we are and what we stand for. In 2016, the requirement for our Middle School students to perform Service Hours for our school and parish was enacted. Such opportunities enrich the students' lives and enhance our communities. Giving of oneself is a great gift indeed. Throughout the inaugural year, we realized there were many areas of need. To gain hours, students may check with teachers to offer after school assistance. We also offer service opportunities at morning carpool, after school recycling, Saturday campus clean-up, and Prayer Garden maintenance. Students should see their religion teacher or the Dean of Students to sign up and volunteer.

Note that the Service Hour Log Sheets are on the STM website under the Student Life tab. Students **MUST** turn in any service hours *during the quarter they are performed*. DO NOT wait until May to turn in hours. A faculty member must sign off on the student's log sheet. With big events like Oktoberfest and Steps-for-Students, STM will have a sign-in sheet at the event.

Requirements:

8th grade – 8 hours – 7 hours must be completed on campus

7th grade – 7 hours – 6 hours must be completed on campus

6th grade – 6 hours – 5 hours must be completed on campus

Serving Mass as an altar server or usher is not considered service hours. If you are not sure what constitutes service hours, please see your religion teacher, the Dean of Students, or the Principal.

We will offer several opportunities of service. Please refer to our website and Tuesday Principal Memos for upcoming dates. Thus far, we can offer:
