As we approach the first day of summer, we hear readings today that are set in nature. Ezekiel has a vision of God cutting a tender shoot from the top of a cedar and planting it on a lofty mountain where it grows into a majestic tree. Mark relates two of Jesus' parables involving sowing seeds, one being the tiny mustard seed, which grows into a shady, hearty plant. As we listen to today's readings, may the Lord's word take root in us.

Nos estamos aproximando al primer día de verano y las lecturas que escuchamos están enclavadas en la naturaleza. Ezequiel tiene una visión de Dios que corta un retoño de la copa de un cedro y lo planta en la cima de un monte excelso donde crece y se hace un cedro magnífico. Marcos relata dos de las parábolas de Jesús que tienen que ver con la siembra de semillas, una es sobre la minúscula semilla de mostaza, que se convierte en un árbol grande y fuerte, y que da sombra. Que las lecturas que escuchamos hoy hagan que la palabra del Señor eche raíces en nosotros.

Mass Intentions

Offering Mass for a special Intention is a long standing tradition in the Catholic Church. It is usually considered that special graces are obtained for whom the Mass is said. Masses are offered for many reasons, for the souls in purgatory, in remembrance for someone who is deceased, or in honor of a birthday. If you would like to turn in a Mass Intention, please place it in the collection bowl or the church office during office hours.

Altar Flowers

Donating flowers for the altar is a lovely way to commemorate a special occasion such as an anniversary, a baptism, a birthday, graduation or in memory of departed loved ones. If you would like to donate flowers for the altar, please pick up a donation form located on the bulletin board at the entrance of the church or you can contact the parish office.
