

Liturgical Ministers Schedule – Through September 2018

Understanding the Schedule

Each Liturgical Minister serves based on a monthly schedule, with the week(s) he or she is serving listed next to his/her name.

Some ministers have “Even” or “Odd” listed next to the week. This designates which months in which they will serve. (Even months are February, April, June, August, October, and December. Odd months are January, March, May, July, September, and November.)

Each week of the month is calculated based on the **first Sunday** of that month. For example, the weekend of June 30 and July 1 is Week 1. The weekend of August 4-5 is also Week 1.

Each month has either 4 or 5 Weeks. The following months have 5 Weeks in 2018: April, July, September, and December. Everyone who serves on Week 3 is also scheduled to serve on Week 5.

Certain groups have “OPEN” instead of someone’s name. Any Liturgical Minister trained in that area is welcome to serve in that slot on a first come, first served basis.

Finding a Sub

If you are unable to serve on your scheduled week, please find a sub. Everyone has contact information listed next to their name. Please note that some numbers are home numbers that cannot receive text messages.

Some Liturgical Ministers are listed only as subs. Some subs regularly serve at a different Mass time. For these ministers, their regular Mass time is listed next to their name.

If you ask an **individual** to sub for you on a particular day, kindly check and make sure they are not already scheduled to serve on that day. Please note that several Liturgical Ministers serve in more than one ministry (they are noted with an *) and some serve at multiple Mass times.

You can also email everyone in an entire **group** to look for a sub. The groups are based on the Liturgical Ministry and the Mass time (ex. 8:45am Lectors or 5:30pm Ushers/Greeters) and include ministers who are listed as subs. The single email to reach out to a group is listed below each group. **Note:** Please copy the email address below your group exactly as it is typed in this document. You can only send a group email from the email address listed next to your name, and you will receive a confirmation email that your message was sent. All replies go directly to the sender, not to the entire group. If an email group is abused, it will be disabled.

Thank you for your service to St. Austin’s!

Sharon
