Catholic Faith Formation Mission

Children often lead parents closer to God in extraordinary ways. Catholic Faith Formation sees children as persons – guided by their parents – on a journey of conversion that leads to deeper relationship with our merciful and loving Lord Jesus. Together, families learn how the stories and symbols of faith and sacred scripture carry meaning yesterday, today, and always. Faith formation matures in the home on a daily basis and is nourished by your ongoing participation in our parish community.

Safety and Community

As an open campus and for the safety of your children, children must be attended by their parent, or two EIM-certified adults while on campus. Parents and volunteers need to be registered parishioners with Saint Mary Cathedral.

Parents, godparents, sponsors, and volunteers are required to attend the Ethics and Integrity in Ministry (EIM) 2-hour class and complete an EIM application every 3 years. EIM is essential to raise awareness regarding predators that target children and vulnerable adults.

Applications are available online in English only at this time.

Attendance Policy

Note: Children must be registered by the last Sunday in September to be considered for receiving sacraments the following spring. Applications are accepted – and families are invited to participate – throughout the year.

Parent Attendance

Parent participation counts as a part of your child's attendance. Without parent involvement on the same day and time, your child's discipleship session will appear as an absence in their record.

Child Attendance

Unless otherwise announced, weekly attendance is required from all students. Children must abide by the following to be considered for receiving sacraments:

- Regular attendance is expected. No more than three excused absences are allowed.
- Late arrival of 15 minutes or more is considered tardy.
 - Three tardies are recorded as one absence.
- Parent requests for dismissal from class for sports practices will be counted as an unexcused absence. *Please resolve schedule conflicts with coaches or instructors.*
- Excused absences for illness, medical needs or other valid emergencies must be reported to the office within three days of class date by phone or e-mail:

Description of a Catechist

The Church emphasizes that parents are the Primary Catechists of their children. Catholic Faith Formation (CFF) affirms that parents, as the primary educators of faith, strengthen and lead the family as the *domestic church*. All children learn directly from their parents when faith is made a priority in the home and their family life reflects virtue and the love of Christ.

Together parents, volunteer catechists, community, and clergy illuminate the spirituality of our families in open communication to cultivate faith, hope, and love within the life of God's Church. Catechist volunteers facilitate children's discipleship sessions to help children better understand the Catholic faith, symbols, and traditions in community. As approved by His Holiness Pope Saint John Paul II, we recall:

257. The parish is, without doubt, the most important locus in which the Christian community is formed and expressed. This is called to be a fraternal and welcoming family where Christians become aware of being the people of God. In the parish, all human differences melt away and are absorbed into the universality of the Church.
