

Greetings,

As you are no doubt aware, parking on Easter Sunday is and will be very challenging! This year, we anticipate that it will continue to be a challenge because the overflow parking area next to the Church that we have enjoyed in prior years is unavailable as well as fewer parking spaces due to the construction for the Gathering Space. When full, the parking lot will be **closed**.

**HOWEVER**, thanks to the generosity of Bowl America on Clopper Road, we do have access to a section of their parking lot which we can use.

They are allowing us to use the section to the right as you enter their property. Please see the highlighted areas below. You may park in Sections 1 or 2.

**We strongly encourage ministry groups\* and families to park in this offsite location, and then take the free shuttle bus to/from St. Rose and Bowl America.**

Bowl America is a very short distance down Clopper Road. Utilizing this offsite parking area will make it much easier to get to Mass on time/early, will help alleviate the significant crowding in our parking lot, and will make your search for a parking space less chaotic.

\*Liturgical Ministers (Greeters, Ushers, Lectors, Communion Ministers, Servers, Sacristans),  
Choir Families (CC, CLC, TLC), etc.

**Remember there is a free shuttle bus to/from St. Rose and Bowl America.**

We appreciate your understanding and cooperation in using the Bowl America parking lot.
