

Trinity Elementary Behavior Plan (Grades K-6)

Classroom teachers are responsible for maintaining order and providing the opportunity for all students to learn in an appropriate environment. Discipline is handled at the classroom level in an objective, professional manner. Discipline

Discipline is the process through which parents and teachers guide and motivate students in a positive way to grow in personal and social responsibility. It is built on a caring relationship between parent, teacher, and student, in an atmosphere where everyone in the school and the home community is encouraged to develop the fullness of his/her potential. The initial process is based on internal motivation - a desire on the part of each person to do what is morally right - to be the person we want to be. The moral values of **respect and responsibility** are central to being a good human person. When a student does not respond to this process, appropriate consequences will be used. Student will fill out a "Think Sheet" with the help of an adult, explaining what student expectation was not met, as well as what should have been done. Each teacher at the beginning of the school year will share with both students and parents the classroom/student expectations and procedures that will be followed.

Detention

Detention will be used only for serious offenses such as: swearing, purposefully harming another student, outright and persistent defiance of an adult, bullying, and any other situations the principal feels warrants a detention. Detention will be served the day of the offense. Parents will be notified of the detention by a phone call from the school. Detention will be **held the same day as the incident, right after school for 30 minutes**, starting after dismissal. There are no exceptions, except for a serious emergency. No homework can take place at this time. It is a time to write about the rule that was broken and/or school service job if age appropriate. If the student attends TEC, you will still be charged for this time.

Bottom Line Issues

The following behaviors are serious violations that warrant automatic referral to the principal:

- Weapons on school grounds or threats about killing someone.
- Illegal drugs or alcohol on school grounds.
- Physical harm to another or bullying.
- Repeated verbal or physical harassment.

Please keep the top sheet to refer back to. If you do not return this sheet within ten (10) school days from student's first day of attendance, your child will be asked to withdraw.

Student conduct must conform to provisions of the Trinity Elementary Policy as prescribed in the Student Handbook. At all times a student must conduct himself or herself appropriately and in a manner befitting the dignity of Christians. All students at all times are guided to uphold the ideals as set forth by the Titan Standard. The attitudes and actions of Trinity students, on school grounds or off school grounds, and at all times, must be consistent with the expectations included in this Student Conduct Policy, the manner of Christian morality, and the Titan Standard.

Off campus, if a student is present when wrongdoing is evident (such as but not limited to smoking, vandalism, use of alcohol or other illegal drugs, and so forth), then that student must remove himself or herself from that situation; otherwise, he shares in the consequences related to such behavior. Disciplinary action will follow the administrator's discretion when such wrongdoing occurs on Trinity's campus.
