Hello Titan Families,

I know it's hard to believe, but summer TEC will be here before we know it!

My name is Ashley Hilton, and I'd like to share a quick letter with everyone to introduce myself as the new Director of TEC, effective at the close of the school year.

I am currently a Paraprofessional at Trinity Elementary East, where both of my children attend as well. Prior to my current position at East, I have had the opportunity to lead a Pre-K through 6th grade Children's Church as well as hosting my own daycare service while my kids were younger. During that time, I researched fun and exciting ways to integrate education at an early age and am looking forward to sharing some of those activities with the summer TEC program.

This summer, many of the previous activities will remain in the program from recent years, such as bible lessons, theme activities, and outdoor play to stay active. Off-campus field trips will continue as well like the Dakota Zoo, Dinosaur Museum, and WRCC outdoor pool to name a few.

In addition, I am pleased to announce that we will also be integrating the use of IXL into the daily rotation, which will provide a great way to continue development between the school years.

Stay tuned for the 2019 Summer TEC signup which will include the final details regarding curriculum, activities, and dates.

I'm looking forward to transitioning into this new role and participating in the summer fun!

Sincerely,

Ashley Hilton
