

Parish Census

Just as Mary and Joseph were called to Nazareth to take part in a census, so are the parishioners of St. Frances Cabrini. If you have already completed the census survey either online or in writing and turned it in, thank you. If not, it is requested that each family complete a census survey. Even if nothing has changed, it is very important that a survey is completed. It is important for the parish and diocese to know we have accurate records. This allows us to verify that what we have is accurate. You may do this one of two ways: Online - Simply go to StFrances.net and look for the link on the home page. Paper Form – Pick one up by any other church entrances and drop completed forms in the baskets by the doors or at the parish office. If you have questions, please ask at the Census Table in the narthex before or after Mass. Thank you in advance for your kind participation.

Starting a New Life, our grief support group, begins October 4th, at 7 pm in the Ed. Building

St. Frances Cabrini offers a ministry of grief support called Starting a New Life. Now in our 20th year, this ministry has helped people who have lost a loved one to death. It is a peer ministry, which means that all facilitators have experienced a loss, and can aid those in grief. This ministry offers two ten week sessions, one in the fall and one in the winter, to help people who have lost a spouse, a parent, a child, a relative, a close friend to death. This is a God-centered non-denominational ministry that focuses on helping those who are grieving by the support and empathy of those who have grieved themselves, and helps them to work through their grieving process, and begin their new life without the one they have lost. During our 20-year history, many that have gone through our program have chosen to give back to the ministry. Their generosity has allowed Starting a New Life to offer this compassionate supportive ministry at no charge to the participants. For more information please call Phillis and Bill Brewer at [817-573-8915](tel:817-573-8915).

Religious Education and Youth Ministry Programs are asking for snack donations as they begin the new year. They are asking for donations of cookies, chips, granola bars, fruit snacks, crackers, pop tarts, etc. and lemonade mix. You can drop these off in the office or bring to classrooms.

Coming Soon! New Parish Directory Sign Ups

Censo de la Parroquia

Al igual como María y José fueron llamados a Nazaret para participar en un censo, también los feligreses de St. Frances Cabrini. Si ya ha completado la encuesta del censo ya sea por internet o por escrito y la ha entregado, gracias. Si no la ha llenado, se solicita que cada familia complete una encuesta del censo. Incluso si nada ha cambiado, es muy importante que una encuesta sea completada. Es importante para la parroquia y la diócesis saber que tenemos un registro exacto. Esto nos permite verificar que lo que tenemos es exacto. Puede hacer esto de dos maneras: por internet - Simplemente vaya a StFrances.net y busque el enlace en la página principal. Forma de papel - Adquiera una en las entradas de las iglesias y dejar las formas completas en las canastas junto a las puertas o en la oficina de la parroquia. Si tiene alguna pregunta, por favor pregunte en la mesa del censo en el atrio antes o después de la misa. Gracias de antemano por su amable participación.

26th SUNDAY IN
Ordinary Times
SEPTEMBER 25, 2016

GOSPEL REFLECTION:

Amos 6:1, 4-7
1 Timothy 6:11-16
Psalms 146:6-10
Luke 16:19-31

"Between you and us there is fixed a great abyss, so that those who might wish to cross from here to you cannot do so, nor can anyone cross from your side to us." —Luke 16:26

"The rich man, traditionally known as Dives, spent eternity staring across a great chasm separating himself from the Lord (Lk 16:26). How ironic! Dives spent his lifetime constructing this chasm (or gulf) to isolate himself from the poor. Now this gulf, built day by day during his life, could not be undone in eternity.

In the USA, many gulfs have been built to isolate the not-so-poor from the poor. We have suburbs, which the poor can't reach because of distance and low income. We have expensive colleges and professional training, which often serve to exclude those without sufficient income. The high cost of medical insurance often excludes the poor from the treatment they need.

This is not meant so much to criticize those who enjoy these things as it is to make the point that those who have a gulf between themselves and the poor must work harder than ever to bridge that gulf. Charity obliges those with a sufficiency to share with those without (see 2 Cor 8:14). "Woe to the complacent" who do not reach out to the Lazaruses in their midst (Am 6:1).

King Jesus will judge us on our outreach to the poor (see Mt 25:35ff). All Christians are to "be mindful of the poor" (Gal 2:10) and even have "a preferential love" for the poor (Catechism, 2448). Reach out to the poor. Bridge the gulf now, before you have to stare across it forever."
