

“FROM THE DESK OF FATHER JONATHAN”

FEBRUARY 21, 2016

I have been inspired to see the number of people attending daily mass increase during this period of Lent. I know some of you have decided to come every day. Others are coming once or twice during the week.

What a fabulous way to prepare our souls for Holy Week and Easter. If you have never had the habit of attending mass during the week, why not give it a try for the next few weeks? We have three daily masses (8:30am, 12:00pm, 6:30pm) to make it convenient for diverse schedules. And there are so many other churches in our city that offer earlier and later masses.

I guarantee you that if you go to mass even just once during the week, besides our Sunday commitment, you will see a major boost in your spiritual life. And after you try it, let me know how it goes!
