

## “FROM THE DESK OF FATHER JONATHAN”

---

**APRIL 24, 2016**

Greetings from Rome, Italy! I am here for a few days to officiate at a wedding for a good friend. The ceremony will be in St. Peter's Basilica--the Pope's parish--just feet away from the tomb of St. Peter himself. I will be praying for all of your personal intentions at the tomb of our first pope. Expect some special blessings this week!

Some of you know that I had the blessing of living in Rome for a total of nine years. It is so good to be back; even if only for a few days. I am already, eager, however, to get back to the real Little Italy in Belmont and to our beloved Italian National Parish of Our Lady of Mt. Carmel.

See you soon!

**Father Jonathan**
