AT THE UNIVERSITY OF GEORGIA**

CATHOLIC CENTER MISSION STATEMENT

The Catholic Center at the University of Georgia is a Eucharistic Community that seeks to live the gospel of Jesus Christ in the tradition of our Roman Catholic faith and the spirit of St. Francis. As Christian disciples we are charged to answer Christ's call for compassion by becoming instruments of peace, charity and justice. We seek to stand in solidarity with the poor, the stranger, the alienated and to collaborate with those who serve them in local and global communities. We endeavor to respect a universe created by God in Love.

We celebrate American Independence Day on the Fourth of July every

year. We think of July 4, 1776, as a day that represents the Declaration of Independence and the birth of the United States of America as an independent nation. But July 4, 1776 wasn't the day that the Continental Congress decided to declare independence. The Continental Congress approved the final wording of the Declaration of Independence on July 4, 1776. They'd been working on it for a couple of days after the draft was submitted on July 2nd and finally agreed on all of the edits and changes. July 4, 1776, became the date that was included on the Declaration of Independence, and the fancy handwritten copy that was signed in August.
