

**THE CATHOLIC CENTER AT  
THE UNIVERSITY OF GEORGIA**

**A Blessing for Fathers**

Let us praise those fathers who balance the demands of work, marriage, and children with an honest awareness of both joy and sacrifice.

Let us praise those fathers who, despite divorce, have remained in their children's lives.

Let us praise those fathers whose children are adopted, and whose love and support has offered healing.

Let us praise those fathers who, as stepfathers, freely choose the obligation of fatherhood and earned their step children's love and respect.

Let us praise those fathers who have lost a child to death, and continue to hold the child in their heart.

Let us praise those men who have no children, but cherish the next generation as if they were their own.

Let us praise those men who have "fathered" us in their role as mentors and guides.

Let us praise those men who are about to become fathers; may they openly delight in their children.

And let us praise those fathers who have died, but live on in our memory and whose love continues to nurture us.
