**JESUS' MINISTRY SUMMARIZED**

The story of the raising of Lazarus from the dead is the single longest story (apart from the Passion) in the Gospel of John. In it we find a summary of most of Jesus' ministry. We see his very human nature as he is moved by Martha and Mary's sorrows and as he himself weeps at the tomb of Lazarus. He is the wisdom of God's Word made flesh as he explains to his followers that the death of Lazarus will serve as a sign of the glory of God. He crowns the miracles he works in John's Gospel (which began with the most "human" miracle of making new wine at Cana's wedding) by raising Lazarus from the dead—a "preview," if you will, of his own death and resurrection to come. This portrait of Jesus reminds us, as we near the end of our Lenten journey, that he is with us, knows us, understands us in every moment of our lives. He knows the joy of our human feasting, he knows the sorrow of our weeping. As we prepare to walk with him through the days of Holy Week, we are filled with faith that—through Christ—God's glory will be with us in every moment of our lives and—with Christ—in our life everlasting.

### **Saint Benedict the African's Story – April 3**

Benedict held important posts in the Franciscan Order and gracefully adjusted to other work when his terms of office were up.

His parents were slaves brought from Africa to Messina, Sicily. Freed at 18, Benedict did farm work for a wage and soon saved enough to buy a pair of oxen. He was very proud of those animals. In time, he joined a group of hermits around Palermo and was eventually recognized as their leader. Because these hermits followed the Rule of St. Francis, Pope Pius IV ordered them to join the First Order.

Benedict was eventually novice master and then guardian of the friars in Palermo— positions rarely held in those days by a brother. In fact, Benedict was forced to accept his election as guardian. And when his term ended, he happily returned to his work in the friary kitchen.

Benedict corrected the friars with humility and charity. Once he corrected a novice and assigned him a penance only to learn that the novice was not the guilty party. Benedict immediately knelt down before the novice and asked his pardon.

In later life, Benedict was not possessive of the few things he used. He never referred to them as “mine” but always called them “ours.” His gifts for prayer and the guidance of souls earned him throughout Sicily a reputation for holiness. Following the example of Saint Francis, Benedict kept seven 40-day fasts throughout the year; he also slept only a few hours each night.

After Benedict's death, King Philip III of Spain paid for a special tomb for this holy friar. Canonized in 1807, he is honored as a patron saint by African-Americans.
