DAVID IS THE PARADIGMATIC KING IN THE OLD TESTAMENT

His kingship recalls that of Adam in the Garden of Eden, and yet it points toward the King par excellence, Jesus Christ. Adam was the first king and steward of the rightly ordered Garden of Eden. He was called to govern the garden according to God's mind and purpose, but by allowing negative influences to wreak havoc on Eden, he did not fulfill his kingly responsibility. Long after Adam, David emerged as the definitive king who would restore order in the Garden and bring the world under the lordship of God. But like Adam, David fell, and his reign ushered in a succession of compromised kings and rejected prophets.

The New Testament, however, foretold a son of David who would realize the fullness of Israelite kingship...but whose actual reign defied expectation.

King David causes us to look back toward Adam's kingship and forward toward Christ the King, seeing Christ as the fulfillment of the Davidic line and the realization of the Kingdom of God on earth. In *David the King*, Bishop Barron helps us to understand this pivotal figure in light of the first king and the King of kings.

During the Thursdays of Lent, we will offer a Study on King David by Bishop Barron.

If interested, please contact *Fr. Ruben at rmpatino@aol.com* or leave message at the Church office.

A Word from Servant of God Isaac Hecker, Founder of the Paulist Fathers

“What shall I do. Where there is no standard there is a loss of all end object & rule. I fear myself. I know not why or of what. Things seem strange to me now. If I did do willfully wrong I should fear I had lost all conscience. Lord thou knowest I am a great sinner. Unmindful of thy gifts. Oh that I had grace to be grateful.” [Diary, January 30, 1845]

If you have asked Father Hecker to pray for you or another person who is ill, and you believe something miraculous has happened, please phone Father Paul Robichaud, CSP, at 212-265-3209 x350 and tell him your story.
