## Vocation Views

"Our hearts are restless until they rest in You, O Lord." With these words, St. Augustine recognizes that only in Christ can we find that deep fulfillment; and while we try to find this in the world, that will only lead to emptiness. (John 6:24-35)

Please continue to pray for vocations to the priesthood, diaconate, and religious life and all who are in formation.

## Steubenville St. Paul 2018

**“In this way the love of God was revealed to us:  
God sent his only Son into the world so that we  
might have life through him.” 1 John 4:9**

✦  
1 John 4:9  
✦

Steubenville is a magical place. I've been 3 years now and each year is amazing. This year I had a completely new experience which I think is God's way of telling me something. I am very appreciative that our parish has the chance to do this. - *Ashlyn*

Well, this was my 3rd Steubenville trip as a chaperone, and I can only say that judging from what I have witnessed.....incredible!

Seeing how the teens find a closer tie with God makes all the sacrifices of time and treasure worth it. I can only say that knowing the conferences are geared towards youth, and having them still impact an older adult....one can know the seeds have been planted on good soils here. - *Lance (chaperone)*

The Steubenville conference was life changing. During the weekend, I was touched by God and have grown deeper in my faith. It is amazing to see that there are so many teens that are wanting to learn about and to grow deeper in love with their faith. - *Myles*

My experience at Steubenville was amazing. I made a few new friends and got to meet up with some old ones that I don't get to see all that often. My favorite part of the weekend was adoration. I feel that I have gotten deeper in my faith over the weekend. - *Elijah*

I had an amazing weekend at Steubenville. This was my fourth year going to this conference and every year I go it helps me grow even deeper in my faith. I'm so thankful for the opportunity to go to this conference. I enjoy it even more each year. - *Rose*

This year was my first Steubenville conference and coming into the conference I wasn't really sure what to expect. Now looking back on the conference, it was probably one of the best things I could have done to grow closer to God. Although meeting new people and making friends is great, actually feeling the Holy Spirit present doesn't get better than that. I can't wait to go back next year! -*Carson*

As I went to Steubenville for my 2nd time, I wasn't expecting much different than from the first time. But although there wasn't many big differences, the differences were still there. The sessions were new and connected with me better, and after the Saturday adoration, I just felt really at peace and also really awake. So although these aren't big changes, they still made my trip more exciting and different than the previous year. -*Mason*

My weekend in St. Paul for Steubenville first felt overwhelming, the fact that teens from all over the United States had come to experience the same thing that I was seemed crazy. But over the course of the weekend I realized just how amazing it really was. The most powerful moment that I had was during adoration on Saturday night. Seeing everyone praying, crying, laughing and praising God was something that I have never experienced before, and while all this was happening people that were all around you were putting their hands on your shoulders to show you that they are there for you. That was by far my favorite part of the weekend! -*Bianca*

This year was my 3rd year attending Steubenville, and it was amazing like always. I had so much fun meeting new people, getting closer to God, and hearing some of SONARS new music! One of my favorite parts of the trip is always adoration but this year we had a new experience that was also really cool! We got to help out the Feed My Starving Children organization which was really neat! All of the food we made and packaged will end up going to 3rd world countries across the globe to help end hunger and to help children recover from malnutrition, knowing we were a part of that was truly a great feeling! -*Morgan*

# STEUBENVILLE ST. PAUL

My experience at Steubenville was very sacred and blessed. I think that it is awesome to see all of these teens worshipping God. You can really feel the presence of Jesus during adoration. There are so many emotions that help you see God's presence. This is one of the most powerful things that a teen can do to strengthen their faith. If you want to truly feel God this is a conference that you need to go to. -*Peyton*

Going to Steubenville has changed my life. I went from believing in a higher power not really putting in as much effort as I should to becoming completely in love with it. The trip was nice and peaceful but also exciting at the same time. I loved mass but especially Adoration. I'm definitely going again next year because not only did I encounter GOD but I made friends and it was a comfortable journey. Especially the adults and leaders, they are very understanding, kind, and helpful! -*Kylee*

I didn't know what to expect never being at Steubenville before and now going as a chaperone, it was an experience like no other. I was blown away watching our teens fall deeper and deeper in Love with their Catholic Faith. They truly do this right in front of our eyes. At first they're a little timid, but by adoration Saturday night they have their hands raised to our God worshipping him. I witnessed one of the teen's in our group call his mom on Sunday morning trying to explain what he experienced at adoration and said, "mom I don't know how to explain it, but it was like God was right there in front of me!" -*Jason (chaperone)*
