Introducing...Our Lady of Victory Chapel

At the Light of Christ Catholic Schools capital campaign celebration today, we were humbled and honored to introduce the Our Lady of Victory Chapel, which will be constructed on the new campus of St. Mary's Central High School. This beautiful chapel is designed to hold the entire SMCHS student body and their families, and will have a capacity of over 600.

The Our Lady of Victory Chapel has been fully funded by the Ken & Marilyn Keller family. Ken and Marilyn, your blessings, have blessed us all. Thank you for this remarkable gift to St. Mary's Central High School and Light of Christ Catholic Schools.

Mary, Queen of Victory...PRAY FOR US!
