**SPIRITUAL ADOPTERS:**

Hello everyone. We are now five months old and weigh nearly a pound. Our hearing is very acute and we swim a great deal in our amniotic fluid. Our eyebrows have developed and fine hair, called LANUGO has begun to appear on our bodies. We are also beginning to develop a creamy white substance, called VERNIX, which clings to this fine hair. Both of these are likely to still be on our bodies at birth. This "skin cream" protects our skin during the remaining time in the amniotic fluid. We now have decided it is time to head down so we will be in the correct position when mama goes into labor.

**AMAZING FACT:**

Many moms are asking "Why can't I sleep at night?" It is because we live on a different sleep/wake cycle than they do. Some of us will consistently wake mom at 3:00a.m. since that is the time we like to be active. You can be quite sure we may do the same thing after we are born.

**ROSARY POWER - ALL ARE WELCOME**

Some parishioners are gathering Saturday mornings to say the rosary in support of families. Families are the backbone of our country, and they need our help. Over the past 10 years there have been over 70,000 Public Square Rosary Rallies across our country. We want to join this effort on the local level by saying the rosary together on Saturdays.

We start at 9:00 and are done by 9:30. We meet at the Community Park ( in the center of Henniker) in front of the gazebo. There's some shade, and we will gather around the 2 picnic tables.

Come when you can - we would love to have you join us. Questions: call Karen 746-4322.

**Pastor's Notes:**

For some reason the Independence Day celebration feels to me like the real start of Summer. Of course by now Summer plans have long been in place. Last Summer I spent July at Air Force basic officer's training. It was hot. Later this Summer I have to attend the Air Force Basic Chaplain Course in South Carolina. I expect it will be hot. (There were other sessions available, but these made the least impact for our parishes.) It will also be my longest training that I will have to do, lasting six weeks. I will depart the first weekend in August and return mid-September. After this you will probably never notice when I am away for training. During that time we will have coverage by some retired priests for some of the weekends. We will also have a couple full weeks covered by priests from the Society of African Missions-SMA. We will probably need some volunteer drivers to get them back and forth to St Mary Church, and we will let you know our needs when we know them.

Speaking of things we need. In both parishes we need someone who has a brush hog, and someone who has a small rototiller. There are areas with brush growing up which we need mowed once or twice a year so that trees don't take over. There are parts of our lawns that need repair from water or plowing damage. Recently I have heard from visitors at both parishes how impressed they were with how clean and well-maintained our grounds and churches are. I had to step back to remind myself how nice things look. For some reason I tend to focus on the divots and weeds that still need to be addressed.

There is quite a lot to be addressed this Summer and we are working it into the schedule with the goal of things being done before I go. The weekend I return in September is the weekend my best friend will be deploying, so his dog will be with me for seven months. As we enjoy our Summer time activities, let us remember to pray for all those who are away in service, and for their families who await and pray for their safe return.

God Bless,  
Fr Thom
