The Sacrament of Reconciliation: Confessions are heard each week on Saturday at the Church (SR #46) from 3:45pm to 4:45pm or by calling the parish office to make an appointment with a priest. Learn more about this beautiful sacrament by visiting our website: http://www.allsouls-sanford.org/reconciliation

The Sacrament of Baptism: Call the parish office to learn the necessary requirements and make an appointment with Fr. Kenneth Metz to have your child baptized. Ask us about the requirements for Godparents.

The Sacrament of Marriage: Getting married? Congratulations! The process of being married in the Catholic Church could take between 6 months to a year to complete. Please contact Ann Cammarata at the parish office as soon as possible after your engagement if you would like to be married at All Souls Catholic Church.

Anointing of the Sick: Please call the parish office. The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. Did you know that the Sacrament may be repeated if the person becomes sick again? A person should be anointed before surgery when a dangerous illness is the reason for the intervention.

Eucharistic Ministry to the Sick and Homebound: If you are unable to attend Mass, please call the parish office so we may assist you in having a visit from one of our ministers or one of our priests.

Catholic Funeral and Burial: Please call the parish office or have the funeral home director contact us to arrange the Funeral Mass and for more information about burial at All Souls Catholic Cemetery.

Our Online Homilies: If you missed Mass over the weekend you may view the weekly homily by visiting: www.allsouls-sanford.org

"When the people in the synagogue heard this, they were all filled with fury." Why were these folks furious? Because they didn’t like what Jesus told them. They took offense at his teaching that "no prophet is accepted in his own native place." Jesus was implying that his fellow Nazarenes in the synagogue were blind to who he really was. And this made them mad. They didn’t like being told that they were wrong. But Jesus told them anyway. He knew that these people needed to hear the truth, even if it meant that he would be unpopular. In fact, he spoke the truth even at risk of his own life. "They rose up, drove him out of the town, and led him to the brow of the hill on which their town had been built, to hurl him down headlong."

It can be tempting to confuse Jesus’ kindness and goodness with passivity, mistakenly imagining him as a person who would never ruffle any feathers because he was so concerned about being “nice.” This one-sided image of Jesus can lead us to excuse our own passivity about the falsehood and evil that surrounds us. We can justify our silence or inaction by convincing ourselves that we shouldn’t upset anyone. But the fact is that Jesus upset people on a regular basis. That wasn’t his goal, of course, but he was willing to deal with resistance for the sake of truth and justice. And we should be willing to do the same.

Our world is growing more and more hostile to the message of the Gospel. When we simply live our faith authentically, it makes some people angry. But we should not recoil from this reality. Jesus’ witness made people furious too. But when they got mad, he didn’t cave in. Whether people like it or not, the truth does not change.

4º Domingo del Tiempo Ordinario

Las lecturas de este domingo nos ayudan a comprender que Dios es el que sabe todo de nosotros, nos conoce hasta el fondo de nuestro corazón. También se nos recuerda nuestra vocación de profetas. Dios tiene un proyecto para cada uno de nosotros. Como en el caso de Jeremías en la primera lectura. Como Jesús mismo lo demostró en la sinagoga de su pueblo. Y como nos lo explica Pablo anunciando la importancia del amor en nuestra vocación de cristianos. En la actualidad la sociedad sufre de la enfermedad de crisis emocionales, de tensiones a causa de que la persona no se siente aceptada y cree que nació por casualidad olvidándose que alguien nos ha pensado desde la eternidad. Dios no se equivoca, estamos aquí para mejorar y cooperar por un mundo mejor.

"Desde antes de formarte en el seno materno, te conozco; desde antes de que nacieras, te consagré como profeta para las naciones" (Jer 1, 4). Lo demás es lo de menos hay que ser positivos y personas de esperanza en toda circunstancia. No podemos ignorar ni echar en saco roto la misión que Dios nos confía. En el Evangelio de hoy Jesús nos da ejemplo al reconocerse como profeta y vive y actúa como tal. ¿Eres consciente de la misión que Dios te ha encomendado? ¿Luchas con espíritu verdadero por seguir la vocación que Dios te ha encomendado? Padre o madre de familia, sacerdote, o religioso, hombres y mujeres estamos llamados a llevar la gracia del Señor. No seamos como los nazareños que solo tenían curiosidad y su fe en Jesús andaba muy lejos de él.

### Join Our Family of Faith

Join us at All Souls for several years, but never register. Registering here is a declaration of your desire to be part of a Catholic community and to make a commitment to the life of All Souls Church. Being a registered parishioner makes the process much easier when it is time for infant baptism, school or religious education registration, weddings, when asked to be a baptismal or confirmation sponsor, and even funerals. A registered parishioner receives all parish mailings, too.

Church law advises that territories or boundaries no longer limit parish registration. All Souls accepts anyone who wants to share in the life of the parish regardless of where they live. In order to register, you need to complete a registration card. These may be found in the narthex of the church or chapel, the parish office during the week or online at our parish website: www.allsoulssanford.org. "Why not sign up today? We love our new parishioners!"

### Town Hall Meeting

During 2015 All Souls held a series of Town Hall Meetings for the purpose of discussing what parishioners see as the future of our community. What began as a broad conversation about our history and mission quickly evolved into 3 topical discussions with attendees encouraged to participate in deeper talks regarding Facilities Utilization, Building Community, and Eliminating Debt.

Committee members reported on progress at the last meeting. A facilities plan was unveiled by chair, Frank Frana which drew from successful plans implemented by other churches in the area. Building Community was led by Valerie Casko who reported on plans for community outreach. The Lynchpin is financing. Peter Cusick discussed options to eliminate our current debt while building a fund for the future.

No further Town Hall Meetings are scheduled at this time as the committee’s continue to work behind the scenes on meeting the needs of the parishioners. If you are interested in joining the discussion, please contact Mimi Costa at the parish office—407.322.3795.

“+Amen, I say to you, no prophet is accepted in his hometown.” God has blessed each of us with unique gifts and talents. Let us give praise to Him. Let us seek His will and discernment about how we are to utilize these gifts. Each one of us has a unique role in the body of Christ. Let us keep our eyes fixed on Him and resist the temptation to look at our neighbor’s capabilities. It is the Holy Spirit who empowers us. It is for the up-building of our church. The focus is not oneself. We pray and ask for God’s divine mercy to bring healing to each person, to each parish and to the Church so that we will function as ONE, and that all jealousy and division will diminish. My Jesus, I trust in you.”

This week, the Sanctuary Light in our Church burns in loving memory of **Nettie Anselmo** as requested by Ginny and Joe Hagan. May she rest in eternal peace.

_Pope Francis said, “The mercy of God is not an abstract idea, but a concrete reality with which he reveals his love as that of a father or a mother moved to the very depths out of love for their child.” As parents, we can be merciful with our children when they make mistakes. We say they’ll learn from the experience. Do you find it difficult to extend such mercy to your peers? Why?
