Are you familiar with the term "conundrum"? By definition, it means a paradoxical, insoluble, or difficult problem—a dilemma. Many high school and college students probably think their mathematics exams are filled with conundrums! Such difficult problems can lead to the fear of getting the wrong answer; in turn, this fear can lead to a sort of paralysis, where no answer at all seems better than potentially being right.

Jesus offers a difficult problem to his disciples in today's Gospel reading from Matthew. In it, he tells them (and us) to fear only two things: the one who can kill both body and soul; and the Lord. But do we live our lives in fear? Absolutely not, because the fear of the Lord that Jesus speaks of is really a call for us to proclaim the love of God from the very depths of our souls no matter the reaction we may receive. It is our cross to bear.

The Catechism of the Catholic Church reminds us that there are seven gifts of the Holy Spirit: wisdom, understanding, counsel, fortitude, knowledge, piety, and fear of the Lord (CCC 1831). Receiving these gifts allows us to complete and make perfect all of the virtues we have, and gives us the opportunity to cleanse our minds and easily accept the word of God. With these gifts, we will never again face truly difficult problems alone.

The Sacraments

The Sacrament of Reconciliation: Confessions are heard each week on Saturday at the Church (SR #46) from 3:45pm to 4:45pm Learn more about this beautiful sacrament by visiting our website: www.allsoulssanford.org/reconciliation

The Sacrament of Baptism: Call the parish office to learn the necessary requirements and make an appointment with Father Kenneth Metz to have your child baptized. Ask us about the requirements for Godparents.

The Sacrament of Marriage: Getting married? Congratulations! The process of being married in the Catholic Church could take between 6 months to a year to complete. Please contact Ann Cammarata at the parish office as soon as possible after your engagement if you would like to be married at All Souls Catholic Church.

Anointing of the Sick: Please call the parish office. The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive the Sacrament. Did you know that the Sacrament may be repeated if the person becomes sick again? A person should be anointed before surgery when a dangerous illness is the reason for the intervention.

Eucharistic Ministry to the Sick and Homebound: If you are unable to attend Mass, please call the parish office so we may assist you in having a visit from one of our ministers or one of our priests.

Catholic Funeral and Burial: Please call the parish office or have the funeral home director contact us to arrange the Funeral Mass and for more information about burial at All Souls Catholic Cemetery.

Our Online Homilies: If you missed Mass over the weekend you may view the homily by visiting: www.allsoulssanford.org

Recognize God in the Ordinary

When I was a teenager, after a homecoming dance one year I took my date for a walk on the Potomac in downtown Alexandria. The moon was out and I was struck by how the light shimmered on the water. I remember focusing to try to see all the details of the dancing rays on the ripples. My date didn't see it and didn't really get it. She thought it was no big deal. It was a dilemma. Many high school and college students probably think their mathematics exams are filled with conundrums! Such difficult problems can lead to the fear of getting the wrong answer; in turn, this fear can lead to a sort of paralysis, where no answer at all seems better than potentially being right.

Two of the greatest gifts from God to each of us are life and time. Without taking care, we can easily miss the grandeur and beauty of both. Being mindful as an everyday steward means pausing to see the detail in all that exists around us. God's creation is not something created with a broad brush, but instead with the intricacies of a master painter.

God created all things with purpose and a complexity only the divine could fully comprehend. Every single hair on our head has been counted! But when we take a moment to reflect on the beauty that is created by that complexity, we allow ourselves to revel in God's generosity. There is so much to give thanks for in this life. But you and I can't give thanks to God unless we really stop to take notice. When was the last time you stared in awe at the moon?

**Make All Souls your parish home!**

Often people attend Mass at All Souls for several years, but never register. Registering here is a declaration of your desire to be part of a Catholic community and to make a commitment to the life of All Souls Church. Being a registered parishioner makes the process much easier when it is time for infant baptism, school or religious education registration, weddings, when asked to be a baptismal or confirmation sponsor, and even funerals. A registered parishioner receives all parish mailings, too.

Church law advises that territories or boundaries no longer limit parish registration. All Souls accepts anyone who wants to share in the life of the parish regardless of where they live. In order to register, you need to complete a registration card. These may be found in the narthex of the church or chapel, the parish office during the week or online at our parish website: www.allsoulssanford.org. Why not sign up today?

It is better to be a child of God than king of the whole world. —St. Aloysius Gonzaga

Gospel Meditation—Understanding Scripture

"Even all the hairs of your head are counted. So do not be afraid." Can it really be true? Is our heavenly Father actually so aware of us? Does the Creator of the universe pay that much attention to ME? Jesus says yes. God knows us far more intimately than we even know ourselves. And so, we have nothing to fear.

Being Christian isn't guaranteed to be easy. More and more even in our own culture, following the faith is being criticized and discouraged in the public square. Privately, we may struggle with the demands of the commandments or the ability to believe when we face the inevitable trials that come our way. But passages like this one in today's Gospel are a source of tremendous hope and consolation. We are LOVED beyond measure. We enjoy the care and concern of God in every situation, big and small. Truly we have no need to worry or be anxious because God is in control.

For our part, of course, Jesus asks us to trust him and stay faithful. He asks us not to apologize for our faith, especially publicly. "Everyone who acknowledges me before others I will acknowledge before my heavenly Father." When we live our faith with confidence, it's a way of accepting the power and providence of God. But when we try to hide our faith away because we're afraid of causing problems, we only damage our relationship with the One who can actually solve them.

At the end of the day, the only really serious problem we need to worry about is losing our soul—and that, to be sure, is up to us. As the great French novelist Léon Bloy wrote, "There is only one tragedy in the end: not to have been a saint." —LPI, Inc.
