Servers and Parents,

Here is the schedule for the summer. As always, if you are unable to serve a particular Mass, please make the effort to find a replacement. With the establishment of the Collaborative, there will be a few new priests helping out. Your role as a server is now even more important to assist them. It will all work fine, I am sure.

We are putting together a group of new servers who will be trained by Mr. Galo . We will insert these servers into the Masses over the summer when they are ready. Any brothers or sisters interested? Contact me or Mr. Galo.

We will also be having our annual cookout and walk to Smitty's for servers and their families sometime over the summer.

Thanks for all that you do. Fr Steve
