

Florida Catholic Advocacy Network Parish Postcard Initiative

A 4-Step Parish Guide

What is the Florida Catholic Advocacy Network

FLCAN is an online community established by the bishops of Florida that exists to connect, educate, and mobilize Catholics across Florida's seven dioceses on public policy issues pertaining to life, dignity, and the common good.

Why Should Catholics Participate?

FLCAN provides the opportunity to speak on behalf of the poor, the disabled, the sick or dying, the unborn, the elderly, families and children, immigrants, the imprisoned, and others in need. If we are truly called to charity for our neighbor, if the Church has something to offer the world, then we need to provide an opportunity like this to people in the pews.

How Can Parishes Get Involved?

Parishes across the state are engaging in efforts to promote the Florida Catholic Advocacy Network (FLCAN). By conducting postcard collections during weekend Masses and increasing participation in the network, parishes are able to help grow the Catholic voice and influence in the public square.

This initiative of the bishops of Florida provides Catholics across Florida with the opportunity to fulfill the responsibility to faithful citizenship. Through FLCAN, parishioners can stay connected and informed on the issues of the day. Subscribers can easily take action by contacting lawmakers and government officials on policy issues of interest and concern to our faith.
