A Family Blessing

Lord of all, Bless our families. Be they formed by blood or by circumstance, Make them holy. May we find you in our relationships. In our marriages, in our families, in our households, in our communities, in our global humanity. May we look across all that divides us and see family, and embrace as a family does. And love as a family ought to. For where two or three gather in your name, There are you. Amen.
