At St. Pius X we strongly value a Catholic education and support its mission:

*St. Pius X School is committed to the principle that each child is a special human being who deserves to be loved and respected as an individual. Our teachers and administration encourage students to reach their maximum potential—academically, socially, morally and spiritually.*

The Finance Committee recommends having a monthly School Support Envelope for any parishioner who would like to help defray the cost of teaching our Catholic faith to young people.

### Gift Of Life

God sends each person into this world with a special message to deliver, with a special song to sing for others, with an act of love to bestow.

No one else can speak my message, or sing my song, or offer my act of love. These are entrusted only to me. According to this tradition, the message may be spoken, the song sung, the act of love delivered only to a few, or to all the folk in a small town, or to all the people in a large city, or even to all those in the whole world.

It all depends on God's unique plan for each person.

To which we might add: the Greatest gift of God, one would think, is the gift of life.

The greatest blessing it would seem, would be to return that gift, gratefully and openly.

*Peace & Blessings,  
Fr. Mark*
