The prayer Jesus gave to us, known all over the world today, is still the topic of

countless books and sermons. The words are simple, yet profound, for Jesus touches the hearts of humanity. First, we address God where he is, that is, in heaven; and the first words are in praise of his holy name, a command to all of us to keep his name sacred. Pope Francis has noted here three requests that express our fundamental needs: bread, forgiveness, and help in facing temptation. We ask only our bread for today, nothing superfluous, nothing that will weigh us down on our journey. We expect God's forgiveness only as we are willing and able to forgive others, aware of being sinners ourselves. Finally, we recognize that we are always vulnerable to the temptations of the world. We ask for God's help against the wickedness, malice and snares of the Devil.

Sister Philomena
Outreach Ministry:
Christ the King Church

provides help in emergency situations for residents of Harris and part of Talbot Counties. These services include monetary assistance with rent and utilities, food and counseling concerning employment and other community resources. Our volunteers encourage our clients and help to provide hope for their future.

Our office is open Tuesdays, Wednesdays and Thursdays from 10:00 a.m. until 2:00 p.m.

A Prayer for our beloved priests:

*“Gracious and loving God, we thank you for the gift of our priests. Through them, we experience your presence in the sacraments. Help our priests to be strong in their vocation. Set their souls on fire with love for your people. Grant them the wisdom, understanding and strength they need to follow in the footsteps of Jesus. Inspire them with the vision of your Kingdom. Give them the words they need to spread the Gospel. Allow them to experience the joy in their ministry. Help them to become instruments of your divine grace. We ask this through Jesus Christ, who lives and reigns as our Eternal Priest.”
Amen*

NCYC 2019 is November 21st-23rd in Indianapolis, Indiana. This is truly an amazing event that all our teens in Grades 8-12 should experience. This year music will feature King and Country, and personalities like Katie Prejean McGrady, Fr. Agustino Torres, and Mark Hart will MC the sessions. We will load buses at Columbus State on Wednesday, November 20th, and be back at Columbus State on Sunday Morning/Afternoon. Cost for the trip will be \$400 per teen. We will have a meeting in the Youth Room after Mass on August 9th to discuss the event and fundraising opportunities. If you have any questions, please call Melissa Filiatreau at 706-939-2017.

Religion

A poem by El Connolly
7-2019

Until we find a cure for grief I'm going to hang on to my religion. I'm going to hope and pray that my son, my grandson, husband and numerous uncles, aunts, grandparents and friends are enjoying eternal rest.

I'm going to hope and pray they are no longer concerned with figuring out whether or not there is a God.

Listening to a few bars of some great composer is soothing for a moment; but it is not a cure for my grief.

It is just fine with me if the 33,000 Christian denominations in 238 countries around the globe decides to close their 3, 400, 000 worship centers. I wonder if it will be just fine with people around the world who uses the schools, suicide hotlines, charity hospitals, food distribution centers and moral guidance.

There is solid research that tells me attendance at religious service improves my immune system and resilience to stress, and make me healthier. That is better than a bottle of pills.

However, for today, I am just going to ask the 4,200 different Religions around the world to ask God for the character to show mercy instead of revenge.

All that really matters at this moment is- Alison came to dinner, I let the dogs out, and **I received a card in the mail from my church saying, "I'm thinking of you."**

I am blessed beyond measure to still love the Mass, rituals, stories and **the ups and downs of the church of people who hang in there even in the darkest moments.**
