The Good News from Our Kingdom

ROYAL MONARCHS PROGRAM

The purpose of the Royal Monarchs Program is to enhance the sense of community on the campus of St. Edward Catholic School through cross-generational events throughout the school year. The Royal Monarchs school activity for Christmas/Advent focused on God's gift to us at Christmas - Jesus! Students across all grades were challenged to think of things they could do for someone else — such as the greatest gift that the Blessed Virgin gave to God (and mankind) by being Jesus' mother. 'Gifts' were written on strips of paper and linked together to make a giant chain of mindful works from our student body. Our Christian faith is the heart of our school!
