The Shrimporee is such a large event and it takes a lot of work from many people to make it a success. I wish to thank all of our volunteers from the set up to the take down. There would be no way that we would be able to have the Shrimporee without the generous donation of time and money of so many people. There is no way that I could list everyone that helped in all of the different capacities but know that whether you donated time, talent or treasure, I praise God for you all. We will have the final report soon.

*May God bless you for all your work and generosity.*
