## Eleventh Sunday in Ordinary Time June 12, 2016

I live, no longer I, but Christ lives in me.  
— Galatians 2:20

### MISSION STATEMENT

As a parish family of St. Francis de Sales Church, we are committed to stewardship as our way of life. We place God first in all things. Centered in the real presence of Jesus in the Eucharist, we devote ourselves to proclaim the Gospel. We are dedicated to grow as a faith community to holiness through prayer, sacraments and service to all God's people.

### HOPE AND FORGIVENESS

There were some interesting conceptions of sin prevalent in the time of the Hebrew scriptures. There was the belief that God punished sin immediately. Those who suffered disease or misfortune were, therefore, sinners getting their due from the Almighty.

Today's first reading hints at another kind of God. When David admits his sin, Nathan declares, "The Lord on his part has forgiven your sin" (2 Samuel 12:13b). Here was not a vengeful God but a merciful God. What good news that must have been to David and those who, like him, could be honest enough to admit their sinfulness!

Jesus is the good news of God's mercy and forgiveness incarnate. Without Jesus, perhaps the good news would have been too good to believe, too difficult to imagine. But there he is in today's Gospel, the God-man, forgiving a sinner and declaring that she is forgiven because of her great love.

There is hope, then, for the rest of us sinners, if only we love enough! -Copyright © J. S. Paluch Co.

**TREASURES FROM OUR TRADITION**

Last week's "Treasure" no doubt raised an eyebrow or two with the image of the deacons scurrying through the streets of Rome, or perhaps galloping on horseback, with fragments of eucharistic bread from the bishop's liturgy. These would be dropped into the chalice at outlying celebrations, presided over by presbyters, to express unity with the bishop, and perhaps also to remind the presbyters that they were not free agents. The Council of Laodicea forbade the custom of the fermentum in the year 348. Generally, one of the rules of interpreting law is that people don't make laws about things that aren't happening. So, by mid-fourth century, we have an important clue that what had once been a Roman custom had become widespread.

Interestingly, when the Church of England (and its related bodies) went through a liturgical renewal in the mid-nineteenth century, they reclaimed this custom from the mists of history. Today, it is the custom in some Anglican dioceses for a fragment of the host from the bishop's Holy Week liturgy (what we call the Chrism Mass) to be carried to every parish. On "Maundy Thursday" (our Holy Thursday), the fragment is dropped into the chalice to signify the parish's communion with the bishop. This modern revival of the fermentum is different from the "co-mingling" action we are used to, in which a fragment of the consecrated bread is dropped into the chalice just before Communion.

**FAITH IS**

Faith is not merely praying  
 Upon our knees at night;  
 Faith is not merely straying  
 Through darkness into light . . .  
 Faith is the brave endeavor,  
 The splendid enterprise,  
 The strength to serve, whatever  
 Conditions may arise.

"We need an openness to expanding our hearts. It is precisely shame and repentance that expands a small, selfish heart, since they give space to God to forgive us. What does it mean to open and expand one's heart? First, it means acknowledging ourselves to be sinners and not looking to what others have done. And from here, the basic question becomes: 'Who am I to judge this? Who am I to gossip about this? Who am I, who have done the same things, or worse?' You can receive far more if you have a big heart!"
