

Rosary Makers

Our Lady asked the children of Fatima to pray the rosary, therefore our ministry's mission is to help spread the Mary's message by making and distributing rosary beads. Our rosaries go to people all over the world and are used here by our own parish family. Our parish uses them for our Religious Education program, our Men's Retreat, our Prayer Shawl Ministry and our Home and Hospital Ministry. Wherever there is a need for our beads we will provide them.

My friends, what good is it for one of you to say that you have faith if your actions do not prove it? James 2:14

Time Required: The time spent making rosaries is up to the individual. You are welcome to join us on Tuesday mornings at the Church between 9:30 and 11:00 AM, or bring the supplies home and make them there, whichever is more convenient for you. If necessary, we may be able to make arrangements for someone to visit you at your home to instruct you. It takes about 20 minutes to complete one rosary.

Talent: The rosaries are made by hand, but are fun and easy to do. It takes as much time as you're willing to devote and just a little bit of patience in the beginning. Along with spreading the Blessed Mother's prayer, the beauty of this ministry is that you can do it at your convenience, where and when you want to make them.

The people who receive the rosaries made by the parishioners of St. Francis are always grateful. The "thank yous" we receive are full of good wishes and promises that we will be prayed for. Please consider joining our ministry. By doing so, you will be making many people happy while spreading the Word of Jesus through His Mother.
